

# Forest Glen Farms' POLLED SHORTHORN PRODUCTION SALE

BERRYVILLE, VIRGINIA

*Friday, June 16, 1961*

12 NOON E.S.T.

H. L. FISHPAW, Owner

We wish to invite all of our friends and all lovers of good Polled Shorthorn cattle to our second production sale.

We have been breeding Polled Shorthorns for thirty eight years. In a constant effort to produce the kind of cattle that could go from our herd into any herd and continue to produce better cattle. We have used what we thought were the best bulls available and our cow families have been built from some of the best Scotch foundations.

Here are just a few of the top cattle that we have sold that have gone on and made their mark for their new owners as well as for Forest Glen:

Forest Glen Souchong 20th x, dam of Edith Souchong x, the top selling Polled Shorthorn female sold at public auction that was offered in the 1936 Stars of the East sale and went to George Arrowsmith, Arcadia, Maryland, at \$5600;

Forest Glen Gwendoline 5th x, a great show heifers and top selling female at the 1953 International sale, going to Avenel Farm, Bethesda, Maryland, at \$1700;

Forest Glen Gwendoline 5th x, a great show heifer and top horn bull in the 1957 International sale, Scotsdale Lexington x, now in the herd of W. C. Jones, Franklin, Virginia;

Forest Glen Leader x, a great show bull now heading the herd of H. L. McCann, Winchester, Virginia;

Forest Glen Leader 2d x, now in the Archwood Farm herd, The Plains, Virginia;

Forest Glen Royal Victor 2d x, now heading the herd of M. C. Donly & Sons, King Ferry, New York;

Forest Glen Outlaw x, reserve champion bull at the 1952 Congress, now in the herd of J. I. Ward, Augusta, Kentucky.

We have not had a show herd out since 1956 however we had an excellent record from 1950 thru 1956. In 1955 we won more blue ribbons at West Virginia State Fair than any other Exhibitor. In 1956 we did it again with nine blue ribbons, two Championships and one Reserve. This was in competition with some of the best horned cattle in The East. Our show herd with the exception of one animal were produced right here at Forest Glen.

The offering is not highly fitted. It is a healthy, useful lot of cattle with excellent pedigrees. We are not using footnotes. Come and visit us, look the cattle over carefully and decide for yourself.

The herd is certified and accredited and calfhood vaccinated.

We welcome you to Forest Glen,

*Harvey and Frances Fishpaw*

---

This is one of the oldest and most recognized herds of Polled Shorthorns in the East. You will find sound cattle with type and substance backed by good polled pedigrees. The offering in this sale is certainly uniform and will suit the most discriminating breeder as well as the practical cattleman.

You can buy with confidence from one of the most respected breeders in the country. He raises his cattle under practical farm methods. They are not highly fitted. They do well for him and they will do well for you under the same conditions.

Stan Haworth

---

I have had the privilege of knowing the Forest Glen Polled Shorthorn herd for more than fifteen years and have always been impressed with the way that substance and doing ability have been bred into these cattle. Emphasis has always been on quality at Forest Glen with the ruggedness necessary to make them profitable. Just recently I again visited with Harvey Fishpaw, owner, and inspected his entire sale offering. It is one of the finest groups of Polled Shorthorns to be offered any place this year. Harvey has always followed the practice in cattle management of producing under practical conditions and you will find the entire set of sale cattle just right to go right into production. These cattle are correct in their structure and the kind that will help other breeders to advance their Polled Shorthorn industry.

# BULLS

We are selling six bulls. Lots 1, 2 and 3 are sired by Forest Glen Comet 2d. These three bulls are of service age and we think that they are capable of improving any herd that they might go into. Forest Glen Comet 2d is a 100% dehorning bull.

Lots 4, 5 and 6 are young bulls sired by Archwood Klondike. These calves were just recently weaned and are in thin condition. However, we feel that they will develop into good herd bulls.
